Subject: Uniform Intermodal Interchange and Facilities Access Agreement (UIIA) - Requires ACORD 22 Form

Beginning on [August 1st](#), we will be required to use the [ACORD 22 \(2012/04\)](#) certificate of insurance form for [trucking companies and equipment providers](#) covered by the UIIA.

The [ACORD 22 2012/04](#) version is currently not in Sagitta. Sagitta is working with ACORD to eventually have it available. Therefore, in the interim, you will need to go to ReferenceConnect and print off from there.

Attached is a copy of the 04/2012 version of the ACORD 22 (and a fillable version). The [Equipment Provider List](#) (attached along with the ACORD22) goes to the insured first to complete and then the insured will forward to us. We will need to forward this completed document along with the certificate to the UIIA office.

The [Cancellation wording](#) on ACORD 22 is similar to the other current ACORD certificates. However please be aware that

Section F.6 of the [UIIA requires that a thirty \(30\) day notice of cancellation](#) be given on all insurance policies provided under the UIIA, unless cancellation is a result of non-payment of premium in which case ten (10) notice is required.

Therefore, you will need to follow our normal Certificate procedures to have the carriers endorse the policy to provide the certificate holder with the 30 days NOC. If the carrier does not agree to do so, or does not have an endorsement, you will need to follow the procedures.

Richard
